

**Schellas Hyndman, FC Dallas Coach**

# 19th Annual NSCAA/adidas Men's Championship Weekend

**December 12-14, 2008 • Frisco, Texas**

Join Paul Marco, the men's coach at Binghamton University, for a weekend of great soccer and coaching education as the NSCAA presents its 19th Men's Championship Weekend. In addition to Friday's NCAA Division I men's semifinals and Sunday's championship game, Marco will lead the NSCAA Special Topics Diploma, "Functional Training: Creating Training Sessions for Optimum Player Development" on Saturday. This course focuses on the four different methods of functional training commonly used by advanced coaches: small group functional training, phase play, shadow play and coaching in the game. These methods train players in positional play and are directly related to team tactics.

**Paul Marco**

Schellas Hyndman, coach of FC Dallas and a 20-year NSCAA Staff Coach, will join Marco in the lecture. Prior to joining FC Dallas, Hyndman was the men's coach of Southern Methodist University, where he had the most wins of any SMU coach regardless of sport. Hyndman also has an outstanding record for producing All-America and professional players.

The Westin Stonebriar Resort North Dallas will be the NSCAA headquarters and is offering a special \$119 rate (single or double). For reservations, call the hotel directly at (972) 668-8000 and indicate that you are part of the NSCAA group. Reservations must be made by November 21 to receive this discount.

Sign up for the course only or register for the weekend package, which includes

- Tickets to the NCAA Men's College Cup Division I Championships to be played at Pizza Hut Park in Frisco.
- In-stadium hospitality at the College Cup matches.
- A Saturday evening social presented by the NSCAA, adidas and Eurosport.
