1. This annual award will be based on the academic performance of a team during the 2007-08 academic year (both semesters).

2. Only varsity athletes who appear on the official eligibility roster during the soccer season are eligible in calculating the GPA. Certificates will be mailed in December 2008, and recipients will be recognized at the High School Coaches Breakfast at the 2009 NSCAA Convention in St. Louis, Mo.

3. **All** soccer players on the roster must be used in the calculation.

4. **A copy of the official varsity roster must be submitted with the application.** The roster must include the coaches' names and the name, uniform number and year in school for each player. The roster is in addition to the list of team members on this application.

5. Instructions for completing the application:

- List all **2007-08** team members appearing on the official roster.
- Calculate the team GPA by computing the total number of quality points (A=4, B=3, C=2, D=1, F=0) for all players and dividing by the total number of classes attempted by all players. **Schools using a different grading scale must convert calculations to the 4.0 for submission.**
- The entire form must be completed to be eligible for consideration.
- Schools that utilized a weighted GPA scale can and should use it in their calculation.

NOTE: When a student-athlete is enrolled for only one of the two semesters, list and count him/her for that semester during which he or she was a full-time student.
