State Goalkeeping Diploma

The overall objective of the State Goalkeeping Diploma is to explore some of the myths and mystiques surrounding the goalkeeping function. The six-hour course is directed towards the team coach - not the specialist goalkeeper coach.

The object is to empower the coach with knowledge and practice methods that will enable the coach to evaluate a goalkeeper in game situations and then design an appropriate practice program for goalkeepers in and outside of team practices. The course includes lecture (theory) and field (practical) sessions.

As of Jan. 1, 2006, any non-member who takes a non-residential course will receive a complimentary one-year NSCAA membership. This applies to **NEW** members only.

Applicants purchasing airfare are advised to check with the course site director to confirm that the course will be held. The NSCAA is not responsible for refunding airfare should a course be cancelled.
