

# Proudly Display Your NSCAA Membership

## Balfour presents the NSCAA Member Ring

One of the newest member benefits approved by the NSCAA is a membership ring, now available through Balfour Sports™, the official ring provider to the National Soccer Coaches Association of America.

Designed in a handsome signet style, the ring features the NSCAA logo on each side, with a soccer ball crowning the signet area. Each member can personalize his or her ring with the year they first joined NSCAA. Lifetime members can proclaim their status, which will be highlighted by a sparkling white stone (as illustrated on ring to the right in the illustration). These touches add a final flourish to an impressive piece of jewelry that is certain to be a treasured gift and a family keepsake.

The member rings are the second phase of a relationship between NSCAA and Balfour Sports™ which was unveiled at the 2001 NSCAA Convention. Balfour Sports™ now offers award rings to past and current NSCAA award recipients, including Honor Award, Hall of Fame, All-America, Coach of the Year and Long-Term Achievement award selectees.

“We believe the ring program we’ve developed with Balfour is an outstanding new benefit for our members,” said Steve Veal, NSCAA Associate Executive Director for Administration. “Our members are proud of their organization, and now they can display that pride with a fine piece of jewelry.”

The rings are available in a variety of metals to offer pricing that will fit into any budget. Each is available in 10-karat gold (white or yellow), gold-tone Siladium® or Siladium®.

The member rings are available for \$315 in 10k gold, \$185 for gold-tone Siladium® or \$165 for Siladium®.

The Lifetime Member rings are listed at \$325 for 10k gold, \$195 for gold-tone Siladium® and \$175 for Siladium®.
