State Diploma

The State Diploma is a five-hour course directed toward the person newly involved in coaching soccer. It is designed to help coaches working with players in the 5- to 10-year age range. Special emphasis is placed on understanding the physiological and psychological differences of coaching children.

The course is designed to emphasize that the game itself essentially is the teacher and the focus of the coach at this level clearly is as facilitator. The curriculum focuses on the organization of a practice session, using small-sided games to enhance knowledge and fun, basic understanding of the Laws of the Game and information about the care and prevention of injuries. There is no testing in the State Diploma.

As of Jan. 1, 2006, any non-member who takes a non-residential course will receive a complimentary NSCAA membership. This applies to **NEW** members only.

Applicants purchasing airfare are advised to check with the course site director to confirm that the course will be held. The NSCAA is not responsible for refunding airfare should a course be cancelled.
