

VOICES OF SOCCER: Hall of Famers and Their Passion for the Game

Moderator: Hall of Fame President Steve Baumann

Panelists to include Hall of Famers,  
including newly announced members of the Class of 2009.

Visit the Hall of Fame web site, [www.soccerhall.org](http://www.soccerhall.org), to see an update on the panelists along with an opportunity to submit your questions. There will also be opportunities at the session to ask questions. What makes a Hall of Famer? When did s/he make a commitment to soccer? What did that commitment mean? How has the game changed since your era? What does the modern game miss from earlier eras? These are some of the questions that could be addressed. All these Hall of Famers were a part of youth soccer, school soccer, collegiate soccer, professional soccer, and international soccer. What kept them going?
