Paul Marco, NSCAA Academy Senior Staff Coach

Principles Of The Game NSCAA Thematic Presentation

NSCAA
Academy

Paul Marco – NSCAA Academy Senior National Staff Coach, Head Coach - Binghamton University

LEARNING OBJECTIVE: The coach attending this session will be able to define the principles of attacking and defending play in soccer and will learn how to identify examples of those principles in action from video clips of matches.

For an expanded version of the outline for this session, please visit <http://www.nscAA.com/educatingcoaches.php>

Some interesting questions will also be answered in this session, like:

- How do I develop training sessions to teach the principles of the game?
- How to win more games?
- How to lose more games?
- Who is the most important player on the field, and why?
- What's the difference between good and great?
- What are the four moments of soccer?
- What two moments do we spend the most time coaching?
- Should we spend more time in the other two in training?
- Where can I go to network and enjoy good food?
- Where and when can I see these concepts (Principles of Play) in live action in the next two days?
