

# 2010 NSCAA Convention Clinic Outline Book

## Tosh Farrell, Everton FC

### **Cultivating Creative Genius: The Early Development of Wayne Rooney**

The intent of this session is to highlight the experience of working at a leading English Premier League youth academy and how it has identified and developed players who have gone on to represent Everton Football Club's first team, most notably Wayne Rooney, and attempting to explain how to recognize these players, what type of program they should follow, why they chose Everton.
